

## Brazos Bluebonnet Quilt Guild – Class of 2010 Scholarship Application

This scholarship is funded by the Brazos Bluebonnet Quilt Guild, a local group that promotes the appreciation of quilts and quilting. The guild prefers that the scholarship be awarded to someone interested in pursuing higher education in the visual arts, family and life sciences, career tech, or a related educational field. Recipients must pursue their higher education in an accredited college or technical school.

Two winners will be selected from the pool of applicants from Brazos County high school seniors, including home-schooled students. Each winner will receive a \$1000 scholarship and a handmade lap quilt.

Actual payments will be made directly to the financial aid office at the school the recipient attends the following school year. Recipients are required to mail in a short form providing college address and contact information, within 60 days of their enrollment or start of classes at their chosen college before funds are disbursed. The full amount will be paid at the start of the school year.

### **Application consists of:**

- **The completed attached form**
- **A transcript which includes grade point average and class rank**
- **Teacher recommendations and/or letters**
- **Photographs or copies of artwork, or directions to a website displaying artwork or performance (photographs and artwork will not be returned). Family or life science projects (e.g. 4-H projects) should be summarized on a separate page.**

### **Selection is based equally on:**

- **Intended major in college**
- **Grades, course difficulty, and class rank**
- **Family financial need, based on parents' employment and size of family**
- **Quality of artwork**
- **Letters of recommendation**
- **Community service activities**

Completed Applications are due to counselor's offices, or directly to the Scholarship committee chair by April 12, 2010.

Scholarship committee chair:

Dr. Susan Chrysler

7903 Drummer Circle

College Station TX 77845
